Chapter 1 by Maria Jose Manrique Bracho

I do not think with that defachastes the "age is a time" because this story is not exactly a beautiful princess and a handsome, brave and good knight who wants to rescue her no.

ELENA was a humble, honest, shy girl and a little stunned as Daffy Duck, but despite everything was a, cute but a little run down good girl, as good as chocolate, or cool mornings and evenings in summer , as that frodosas and beautiful roses that are footsteps but not totally lose their beauty, her short hair tousled brown riso evoked that this was a girl with a great personality and seguridad. De large, colorful and striking eyes as aalcon , white skin like milk and full lips and pink textured and flavored strawberry ice cream and not just any strawberry ice cream, the ice cream freezes much your mind but do not want to stop eating hurriedly.
